The Blues have announced their Pre-Season Friendly schedule ahead of the new Isthmian League season which starts on 12th August 2017. The Football Association have recently announced the league allocations for next season, and there will be 7 new sides in the North division next season. Sudbury, Grays Athletic and Canvey Island have all been relegated from the Premier Division. Barking, London Colney and Mildenhall Town have all been promoted from their respective step 5 divisions, and Potters Bar Town have been transferred across from the Southern League Division One Central, however they were previously members of the Isthmian League before.

The Pre-Season schedule will see the Blues play 5 teams at Ram Meadow and three away matches. The highlight of the home fixtures will be the visit of Ipswich Town U23's on Wednesday 4th August, with other home games against Braintree Town, Leiston, Brightlingsea Regent and Needham Market now under the guidance of our former manager Richard Wilkins.

Ben Chenery's side will also travel to three local Thurlow Nunn League opponents with trips to Hadleigh United, Ipswich Wanderers and Ely City. All midweek games will kick off at 7:45pm apart from the match with Ipswich Town which will kick off at the slightly earlier time of 7:30pm. Admission prices will be confirmed nearer the time for all matches.

July 2017
